

Building Bridges, Sparking Change

We are proud to invite you to register for our **87th annual conference** taking place **June 8-11, 2025**, in Windsor, Ontario.

Join us for the sector's premier networking event where you'll have the opportunity to learn from peers and industry experts across four different learning streams, build meaningful connections with professionals from across the province, gain tips and advice on new tools and technologies from the sector's top service suppliers, and more.

This year's conference theme – *Building Bridges, Sparking Change* - celebrates the power of collaboration and innovation, providing a platform to connect with industry experts, exhibitors, and thought leaders. An idea born out of the need to establish better municipal-provincial relations and inter-municipal partnerships, this year's conference is all about igniting positive change.

Top Reasons Why You Need to Attend:

Build and expand your network

Network and connect with hundreds of municipal professionals, sponsors and exhibitors from across the province and beyond.

Learn from peers and industry experts

Access over 20 educational sessions and role-specific facilitated network sessions, two world-renowned keynote speakers, plus hear updates from AMCTO and special guests.

Invest in your team's professional development

Advance your team's skills and knowledge with hands-on tools and resources you can implement right away

Be on top of your game

Discover new strategies and solutions to tackle current sector challenges and stay ahead of the curve on emerging issues, trends and changes

Join us and hundreds of municipal sector professionals for four days of networking, learning and professional development.

Registration is now open - don't miss out!
